

Dear Customer

**Re: M5 junction 8 roundabout resurfacing**

We recently wrote to you advising you of our upcoming maintenance works on the M5 junction 8 roundabout, including the northbound and southbound exit slips. Due to unforeseen circumstances, the remainder of our work did not go ahead as planned. I'm pleased to confirm we have now revised the dates, full details included below.

**What we're doing and why? What are the benefits?**

We'll be resurfacing the M5 junction 8 roundabout, including the southbound exit slip, and a small section of the northbound exit slip. The work has been identified following the deterioration of the carriageway. We'll also be replacing the road markings and road studs. The completed work will provide a smoother surface and safer road, including clearer road markings.

**When will this work take place?**

We'll work from **24 May 2021 to 1 June 2021, Monday to Friday**. Our work will be carried out overnight when traffic counts are lower between **8pm** and **6am**. To reduce disruption to customers, the work will be delivered in phases as follows;

**Phase 1, Monday 24 May, Tuesday 25 May and Wednesday 26 May**– Full closure of the M5 junction 8 southbound exit slip, and the eastern side of the roundabout, including Roadchef M5 Strensham Services southbound only.

**Phase 2, Thursday 27 May and Tuesday 1 June**– Full closure of the M5 junction 8 northbound exit slip, and the western side of the roundabout.

**What does this mean for you**

During closures, we'll provide a fully signed diversion route- please see the reverse of this page for further details. Emergency vehicles will have access throughout. Our planned road work may be subject to change due to weather conditions or unforeseen circumstances.

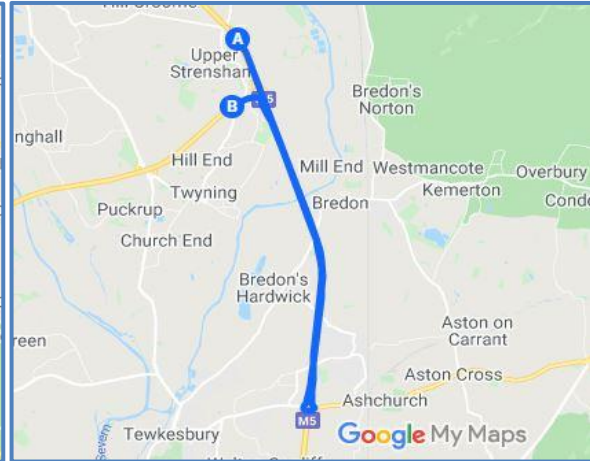

Continued...

## Phase 1

M50 to M5 southbound diversion

M5 to M50 westbound diversion

## Phase 2 (M50 to M5 and vice-versa)
