A Parish Council meeting is not a public meeting, but a meeting that is held in public. All members of the public have a statutory right to attend council meetings as observers and as part of our commitment to community engagement, the Council has chosen to set aside time at each meeting, to hold a public forum.

Public Forum is one opportunity to ask questions. There are others, including telephoning or writing to the Parish Council or Parish Councillor, during normal office hours to ask a question.

All those present will act respectfully and will not act in a manner that demeans, insults, threatens or intimidates others. Offensive or threatening behaviour will not be tolerated, and Council reserves the right to curtail the contribution of and exclude anyone acting in this manner.
